Due Date July 15th

Newsletter Date

## Voices Were Loud & Clear @

We heard you, loud and clear at the CFR in Norco and changes in the way we operate in 2003 are beginning to take place. To insure that our Circuit Finals are a financial success for ALL, we are instituting a practice used most, if not all other Circuit's today...that being, the collection of **Circuit Dues**. These dues will help us off-set the increasing costs of running your Circuit and putting on your Circuit Finals as well as assist us in obtaining prizes for your Circuit Finals. Yes, we know about the \$3 fees as well, but honestly, not enough trickles down from those fees for us to put on the type of Circuit Finals you deserve....and this is why most all other Circuits also collect Dues.

Therefore, **Circuit Dues** for 2003 that are paid by July 15th will be only **\$25**. After July 15th, Dues will be **\$40** (the amount collected by the Mountain States Circuit and others) and if paid after September 15th, they will be **\$50**. Please know that we are sensitive to ANY additional expenses that you may have to incur, but we hope you'll all see the value in this nominal fee and will support the efforts we are making to make your Circuit the best. If we have 100% of your support each year, you can bet you'll have one of the most rewarding Circuit Finals in the PRCA! It's not a lot, but it means a lot.

**Please, mail your Circuit Dues TODAY!** Deadline for the **\$25 Dues** is **July 15th** and everyone that mails their dues in by that date will get **50% OFF** the cost of their 2003 Circuit Jacket/Vest!

It's your Circuit! Help us make it the best it can be!

Thanks for your support.— **Val Jimenez, President**

## Circuit Sponsors Welcome

It's no secret.....we're looking for a few good California Pro Rodeo Circuit Sponsors! If any of you can help us identify any persons or businesses that might be interested in becoming a 2003 Circuit Sponsor (not to be confused with a Circuit Finals Sponsor or PRCA Sponsors), please let us know ASAP! Circuit Sponsors will be featured on all Circuit jackets/vests, letterhead, promotion pieces, etc. Most will have or want state-wide recognition.....and we'd be all too pleased to help.

If you have any ideas or contacts, please call our VP of Marketing, John Kennedy @ 888-687-6879 (toll-free). There's a 10% commission in it for you if we can sign them by August 1st! (\$12,000 Sponsor = \$1,200 Commission). A little extra money is good!
