## A message from Val....

Hello Everyone,

Thanks to all the members (149 to date) who have submitted their 2003 Circuit Dues and to all new members who have recently joined our Circuit. **If you haven't already submitted your Circuit Dues, it's not too late to help us....**and we do need each and everyone of you to help! Please use this letter and the form to the right to submit your dues today! Because of your support and hard work we had a very successful California Finals Rodeo last January. Also, thanks to the Norco Rodeo Committee for all their help and support in making our Finals rodeo so successful.

If you have not already done so, please check out our newly revised web page at: [www.californiaprorodeo.com](http://www.californiaprorodeo.com). Bob Lawrence did a great job of getting our web site up and running and current. On our web site you can also access Circuit contacts and get the latest updates and information regarding our Circuit.

I would also like to thank John Kennedy, Vice President-Sales & Marketing & Treasurer; Ted Hoffman, Vice President-Operations; and Anita Villarreal, Secretary for taking on the duties that help make our Circuit run smoothly and efficiently.

In addition, I would like to remind all event representatives that we are approaching the time to begin seeking out individual event awards. Please seek out your sponsors early and let me know if there is anything we can do such as providing official letters in order to facilitate your awards. Also, **contact me with any nominations you may have in the category of announcer, secretary, timer and barrelman.**

Please remember that Ted, John, Anita and I are available to help with Circuit needs, and although I have moved, I can still be contacted at area code **619-954-5320**. With your continued support and help we can continue to make this Circuit bigger and better. I am really looking forward to a successful Circuit in 2003-2004. Remember the changes for 2003 regarding the Circuit and its relationship with the PRCA are many. Your Circuit personnel and I are staying on top of the updates so we can better serve you.

As promised at our annual Circuit meeting, we are going to keep you more abreast of the Circuit's financial position throughout the year. The enclosed Summary Report shows we are making positive changes and are becoming a more self-sufficient Circuit...but we still have a ways to go.

Thanks for your continued support and help throughout the year.

**Val Jimenez, President**

## Circuit Dues Still Requested

Yes, we're making progress. We're \$3,850 ahead of where we were last year at this time with regards to Circuit Dues....but don't we have something like 1500 Circuit Members? And just 149 have paid Dues? Imagine what our Circuit's financial position would look like if between now and the end of the year 300 more of you joined! At just \$50, that's less than \$.14 a day and represents only 30% of the total membership! PLEASE, if you haven't joined, won't you help your Circuit by joining now?

To those of you who have jumped on board already—THANK YOU VERY MUCH!
